Submit to: Division of Mining and Solid Waste Permitting, Bureau of Land and Waste Management SC Department of Health and Environmental Control, 2600 Bull Street, Columbia, SC 29201-1708 (Please Print or Type)

Any person who wishes to own/operate a landfill for yard trash and land-clearing debris under the Standards for Disposal of Land-Clearing Debris and Yard Trash (hereinafter known as: Standards for Disposal) shall submit a copy of this Notice of Intent with all required information. Landfills operating under the Standards for Disposal shall be limited to structural fill for projected beneficial end use only, and shall comply with the requirements of Part II of Regulation 61-107.11 and the Standards for Disposal. An approval letter from the Department MUST be received before commencing disposal. Approval to operate will be denied if the applicant fails to submit to the Department the following items:

- A letter of consistency with the host Region/County Solid Waste Management Plan as submitted to the Department;
- A letter(s) from the county and/or city certifying that the proposed activity complies with any and all applicable zoning or land use requirements; and
